Tēnā koutou,

As you know our Board has been working through Before and After School Care arrangements at our school. We had intended to respond to questions and feedback today but have now made a decision to fully review where we are at before we move forward in any direction.

This decision was made following discussions with New Zealand School Trustees Association (NZSTA) who felt that the best outcome for our school would be achieved by taking more time to further consider all the feedback and perspectives. We are very keen to follow best practice and agree that a review of all aspects of this matter would be best. As such, we will now pause and resume early in the new year. We will update you once we have completed this process and expect to be in touch by the middle of January.

We are very appreciative of NZSTA/s expertise and their considered advice and we will continue to work with them in January so that our process and outcome is fair, robust and appropriate.

Thanks to those who have provided us with feedback and for everyone's patience and understanding. We will be in touch in mid-January.

Nā mātou noa nā,

Woodlands Park School Board
